

Formstack Submission For: [CRIN Matchmaking support](#)

Submitted at 06/24/21 7:11 AM

Name:	Raju Basumatary
Email:	raj.b@digifaire.com
Are you a member of CRIN?:	Yes
1. What type of organization are you looking to be matched with?:	Small or Medium Enterprise (e.g. technology developer, venture, service company etc.)
2. Please provide a brief description of your organization:	We develop knowledge resources such as Body of Knowledge, professional certifications, standards, and code-enabled technology including licensing solutions to enhance the business value chain.
3. Please provide a brief description of your proposed project:	We aspire to team up with the industry stakeholders to develop the Body of Knowledge for professional practice as part of the competency development process, so we can help onboard more talent to the rapidly evolving clean-tech industry.
5. Which focus area(s) are you looking to address or collaborate on?:	Environmental monitoring Operational excellence and efficiency Health and safety
6. Briefly describe what type of support you need from a producer partner (e.g. field test site, technical expertise, resources etc.):	Guidance or access to systems and technology for the development of knowledge resources.
7. Briefly describe the skills and services you are able to offer as a partner/collaborator :	Our team has expertise in in coding, human factors, instruction design, systems engineering, and technical

writing, among other areas for the development of knowledge resources.

8. What test or research is required to most cost effectively reduce technical or economic uncertainty and/or prove important features/benefits of your technology?:

Creating knowledge resources requires extensive technical documentation, which can be accomplished with next-gen tech stacks, and revised with new versions when changes happen.

9. Have you already connected with, pitched to, or been introduced to any oil and gas producer partners regarding this project?:

We are looking to get started with the networking process.

10. Is there any additional information you would like to share to assist us in matchmaking?:

We are happy to host meetups for involving more stakeholders.

By registering my interest, I accept that the information submitted in this form will be used by the Clean Resource Innovation Network, and MaRS for the purpose of the CRIN Digital Oil and Gas Technology Competition, including the posting a project summary on the CRIN website for producers to view.:

Yes, I am interested in matchmaking support
